

Sweet Sunday

Author: Geetha Rao

Illustrator: Sanika Phawde

Level 3

"Go to Manjit Paaji's shop and buy any two things that each of you likes," she says. The siblings are thrilled and after lunch, they set out for the sweet shop.

Simran chooses phirni, Jeet chooses toshe
and Veer wants jalebi.

Manjit Paaji weighs the sweets.

The children watch as
he measures and packs
them in boxes.

He says that the
jalebi weighs 200 gms,
the phirni weighs 250 gms
and the toshe is 500 gms.

"Ma said we are allowed two things each," says Simran.

Simran chooses samosa.

Jeet chooses mathri and
Veer takes kachori.

This time, Manjit Paaji weighs the salty stuff.

He tells the children that the samosas weigh 500 gms, the mathri is also 500 gms and the kachoris weigh 300 gms.

They run home and Ma asks them what they have bought.

The children say that each of them has bought a different mix of sweet and salty treats.

Jeet's treats weigh a kilo,
Simran's weigh 750 gms and
Veer's weigh 500 gms.

Everyone gets busy
enjoying the feast.

The holidays have begun well!

1 kg = 1,000 gms

500 gms + 500 gms = 1,000 gms = 1 kg

250 gms + 500 gms = 750 gms = 0.75 kg

200 gms + 300 gms = 500 gms = 0.5 kg

Sweet Sunday

(English)

Simran, Jeet and Veer go to Manjit Paaji's sweet shop to buy their favourite goodies. Watch Manjit Paaji weigh the treats and find out how much each of them buys at the shop.

This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
