

Where Is My Bat?

Author: Meera Tendolkar

Illustrator: Kabini Amin

Translator: Madhav Chavan

Level 1

I have lost my bat,
and I cannot find it.

I looked behind
the door.
It was not there.

I looked for it on the shelf.
I could not find it there.

An illustration of a young girl with dark skin and curly hair, wearing a yellow shirt and green pants, lying on her stomach on a light-colored floor, looking up with a worried expression. To her left, a slender, light-brown dog with white spots is standing and looking towards her. Above them is a dark wooden bed frame with a decorative scrollwork headboard. The scene is lit with soft, warm light, creating a sense of a quiet, perhaps late evening or early morning, moment.

I looked for it under the bed.
Not there either.

I searched inside the box.
There was no sign of it.

I searched the attic.
I could not find it anywhere.

I looked here,
there and everywhere,
I could not find it anywhere.

Oh! There's my bat!

Where Is My Bat?

(English)

Oh no! There is a missing bat, and it just can't be found. Can you guess where it is?

This is a Level 1 book for children who are eager to begin reading.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
